

# Opportunities at Room 58

**Company:** Room 58

**Title:** Front-End Developer

---

## The Role:

Would you like to work for a world-class digital agency, delivering web solutions on a global basis?

Are you proud of the work that you do and creating high quality code? Have you got a good eye for detail and design, and you work proactively to find innovative solutions and developments? Are you not afraid to take initiative and you're hungry to learn more?

We are looking for a self-motivated middle weight Front-End Developer with ideally 2+ years' experience to join and learn from our experienced team to help maintain and improve our global product offerings. This role will involve creating complex interfaces for our web applications; improving various responsive, multi-lingual front-end themes for our in-house software that is used by hundreds of customers in over 27 countries. So high level experience with HTML & SCSS is essential along with a solid understanding of JavaScript.

---

## Key Skills

- Semantic HTML5 and CSS3 mark-up.
- jQuery & native JavaScript programming.
- SASS pre-processor (SCSS).
- Good experience working with responsive design.
- Understanding of UI/UX design on both mobile and desktop
- Version control systems, such as Git
- A good understanding of SEO best practice for both web design and development

## Desirable

- JavaScript framework experience, ideally Angular JS or Angular2+.
- Experience with Typescript.
- Knowledge of CSS methodologies such as OOCSS, BEM, etc
- Effective communication skills.
- Knowledge of automation task runners, ideally Gulp.

## Opportunities at Room 58

- Knowledge of design principles, typography, user interfaces, web standards and usability.
  - Node.js & npm experience.
  - JavaScript testing frameworks.
- 

### About Room 58

We are a small, dynamic outfit, looking for someone who likes to experiment with new technologies, and to share their learning with the rest of the team. You'll need to be quick-thinking, responsive to change, and confident to suggest out-of-the-box solutions.

If you are looking to join a buzzy, enthusiastic company based in stunning offices in central Cheltenham, then apply today by sending over your CV and portfolio to [recruitment@room58.com](mailto:recruitment@room58.com).
