

Opportunities at Room 58

Company: Room 58

Title: Designer

The Role:

Would you like to work for a world-class digital agency, delivering web solutions and market leading design on a global basis?

Are you passionate about delivering outstanding design for international clients?

We are looking for a talented and enthusiastic Designer to join our passionate and growing creative team. This is a fantastic opportunity to join a thriving and innovative agency, to work within a fast-paced environment and to work with some impressive big brands.

You must possess strong visualisation skills and be confident in taking projects from initial brainstorming and idea generation through to finished concepts and artwork. Commercially aware, you will be able to work both on your own and as part of a team and have the ability to work under pressure to strict deadlines. You must be fluent in all things CS and have proven experience of designing for both print and digital. You will be responsible for creating brand identities, marketing materials, on and offline advertising, brochures, packaging, storyboarding, exhibition graphics and websites for a broad portfolio of high profile clients.

Key Skills

- A minimum of 2 years' experience
- Essential: Skilled in Adobe Creative Suite Skills (Photoshop, Illustrator, InDesign)
- Desirable: Knowledge of HTML, CSS and any additional digital skills in After Effects and motion graphics
- Traditional typography and print skills
- Experience in digital design, responsive web design, UX
- Excellent communication skills, written and verbal
- The ability to write creative headlines. Any copywriting skills would be advantageous
- Great attention to detail

Opportunities at Room 58

You will need to be a passionate, enthusiastic and highly creative person who has an enthusiasm for solving design challenges

You are a sociable team-player yet able to be independent in your own thinking and confident in sharing ideas with the team

You should be ready to get stuck into ground breaking, multi-disciplinary work for some impressive brands

About Room 58

We are a small, dynamic outfit, working with some of the biggest automotive brands around the globe, including Harley-Davidson, Jaguar Land Rover and VW Financial Services. We are looking for someone who is driven and self-motivated.

You'll need to be quick-thinking, responsive to change, and confident to suggest out-of-the-box solutions. We are a small team and therefore you need to be able to work with multiple teams as well as be responsive to management up to and including the CEO.

If you are looking to join a buzzy, enthusiastic company based in stunning offices in central Cheltenham, then apply today by sending over your CV to Peter.tripp@room58.com or Emily.bevan@room58.com
